St Jude Church 75th Anniversary

As the year 2024 moves forward it is with great joy that St. Jude Church is in the midst of celebrating its **75th Anniversary!** It was in 1949 when Bishop Thomas Molloy established St. Jude Church and appointed Rev. John Skelly as the pastor, which would be the beginning of what we have become: **a beautiful, faith-filled community that continues to build upon the cornerstone of Jesus Christ.**

Throughout this year we will recall the many memories and special moments of our history. **If anyone has pictures at St. Jude Church, please send them to bulletin@StJudeMB.org and we will put it in our bulletin.**

We will have ongoing events throughout the year commemorating our Church and its history. Let us begin our 75th Anniversary and continue the journey of faith with joy and love, thanking God for all his blessings upon us!

Bulletin Reflection

Jesus suffered death for our sins. We are called to carry our crosses, and while we do so, let us never forget how much He loves us.

St. Vincent de Paul

The Manual of the Society states: Vincentians are called to holiness by striving to conform ourselves to Jesus, doing God's will, and devoting ourselves to the service of God's suffering and poor. The Society of St. Vincent de Paul is composed of women and men who seek personal holiness by works of charity. In this essential way, the Society differs from charitable associations or agencies whose principal objective is not the spiritual advancement of their members but the doing of good for others.

FROM THE PASTOR'S DESK

The season of Lent is a time for renewal and opening ourselves up to the omnipotent presence of God in our lives. God created us and loves us, which means He does not abandon us. Of course we can distance ourselves from the love of God and that is why this season of Lent is a gift from God, especially for those who have distanced themselves from God and His Church.

This is the invitation God gives to all and for all to experience His mercy and love. Lent is a time when we consciously invite Jesus Christ to peer into our hearts, confident that he knows our whole being – body, mind, and spirit. Jesus will stir our imagination and challenge us so that we can become free to love as He loves. Jesus is with us in our sorrow and wants to heal.

He walks with us on the journey of life. Do we walk with Him? Through the storms of life Jesus is present and wants us to be aware of His presence.

May this sacred season of Lent be a time of conversion for all of us. May our acts of penance – prayer, fasting, and almsgiving – strengthen us and lift us up in the serenity of the love of God. May the gifts of the Holy Spirit continue to enlighten and guide us, leading us more in union with one another and Jesus Christ, our Lord.

I want to thank Sandy Rugeris, president, and all the Columbiettes who organized, prepared and presented our first Mardi Gras Fundraiser for our Parish Outreach. It was a huge success! Everyone had a great time. I want to thank all of you who participated and help our Parish Outreach and, therefore, those in need in our community! It was a night of delicious food, wonderful music, and dancing. A great way to get ready for Lent. Thank you to all!

Lent 2024

*...We need our prayer to rise with greater insistence to the Father,
So that He may hear the voice of those who turn to Him
on the confidence of being answered... Pope Francis*

Dear Sisters and Brothers,

On Sunday, January 21 of this year, Pope Francis inaugurated a Year of Prayer ahead of the 2025 Jubilee Year. The Holy Father is calling on the faithful "to pray more fervently to prepare ourselves to live properly this grace-filled event and to experience the power of hope in God." This Year of Prayer, the Holy Father explained, is dedicated "to rediscovering the great value and absolute need for prayer, prayer in personal life, in the life of the Church, prayer in the world."

In response to the Holy Father's initiative, together with Bishop Barres, all the Bishops and I would like to encourage you, especially during this 2024 Season of Lent in particular, to focus on prayer. Traditionally, during this time all Christians are called to practice fasting, prayer, repentance, and almsgiving as a way of drawing us closer to God and reflecting on the meaning of Jesus' death and resurrection in anticipation of the gift of new life at Easter. All pillars of Lent complement and support each other. Customarily, fasting is a way of disciplining ourselves and expressing our repentance for our sins. By abstaining from certain foods or activities, we show our love for God and our gratitude for His mercy. Fasting also helps us to empathize with those who are less fortunate and to share our resources with them. In fact, prayer binds all these Lenten practices all together, giving them an extra strength and direction. In days to come, as we prepare for the celebration of Easter, let us take this great opportunity to renew ourselves in the life of prayer, making it not just a duty or an obligation but also as a privilege and a joy.

Prayer is a gift from God, connecting us with Him and allowing us to experience His love in our lives. It is a ground for an authentic encounter which God uses to transform us and to make us more like Christ to one another. It is also a power that God grants us to overcome sin and evil and to advance His cause in the world, especially very much needed peace as we reflect these days on the situations in Ukraine, the Holy Land, Syria, Congo, and many other troubled places.

Personal Prayer. A classic description says that prayer is "the raising of our mind and heart to God." We all might have our own experiences of prayer, and we can define prayer in our own and unique ways. However, most important is the fact that during sacred time of the year each of us should make the best effort to make a time for prayer, short or longer, in our daily lives. There are many ways in which we can engage with it during Lent. Many people might continue to follow a lectionary and other materials that provide Scripture readings and reflections for each day of Lent and be led by it to prayer. It is possible use prayer books, journals, apps, or online resources that offer different forms of prayer, such as meditation, contemplation, praise, worship, adoration, thanksgiving, and supplication. In some

places there are groups of friends, or parishioners, who join prayer meetings, retreats, or online communities that share prayer requests and support each other in prayer. Most people create a prayer space in their home or workplace that helps them to focus on God. We should all look for an opportunity to pray without distractions and practice silence or solitude as a way of listening to God and being attentive to His presence. Whatever method or style of prayer we choose, the important thing is to pray with sincerity of heart, humility, honesty, and openness. During Lent, we should pray especially for the grace of conversion, so we can be inspired to experience the need of repentance and change and be led to encounter Jesus in the Sacrament of Penance. May we all grow in a deep desire to know the Lord more intimately and to love him more fully with the hunger for his grace and a thirst for his Spirit.

Communal Prayer. Time spent in prayer is never only personal. We all know that every individual action of one person has an impact on the whole community. Together in prayer, as we walk a synodal way, we grow in a deep sense of awareness that every act of love or time of common worship can profoundly strengthen and sanctify the whole Christian community and the whole human family. We are all connected in a special way as members of the Body of Christ, and we share the same mission and vision by celebrating of the Eucharist. This is the most profound and ultimate way of prayer. At each Mass we engage personally with the Paschal Mystery of the Lord and make it our own to be led by him, through the sacrifice of the cross to the glory of his Resurrection and our life in Him. The mystery of the Cross and the mystery of love Jesus shares with us can be understood in a deeper sense through prayer. Renewing our commitment to attend the Mass every Sunday would be the best step to renew ourselves in the life of prayer.

Prayers for the World. Both the celebration of the Eucharist and our personal daily prayer nourishes our faith, strengthens our hope, and increases our charity towards others. During Lent and beyond we are called to share our gifts and resources with the world around us, especially with those who are in need. We are to take care of the poor, the oppressed and the marginalized, and are to join them in their struggle for justice and dignity in the best way we can. Every good deed is always inspired and properly executed with the assistance of our continuing prayers, making us God's instruments of peace, justice, and mercy, which is so much needed in the world today.

Dear Friends, prayer is basically a conversation with God who is waiting for us. It doesn't have to be made up of loads of words as it is all about the conversion of heart. It's not just "saying prayers", it is more about living by them, letting our heart declare our love for God and others. Let this Lent be for all of us a sacred time of our spiritual renewal in prayer so we can all become who we are supposed to be in relationship with God and with each other. Our life prayer is a statement about who we are. The future of the world depends on our prayers and begins in us. Even though our prayers do not give any extra reverence to God, they certainly make us more revered before Him so we walk "humbly with the Lord."

Have a blessed and grace filled Lent,

EUCCHARISTIC REVIVAL BULLETIN INFORMATION

WEEK 22

Lent is our chance to walk with Jesus and prepare for His resurrection on Easter.

Preparing for Jesus

Because Christ is present in the Eucharist, there are certain steps Catholics make before receiving, including the sacrament of reconciliation if they have a mortal sin on their soul and fasting for an hour before receiving, according to the Church's Code of Canon Law. The elderly, infirm or someone caring for such a person doesn't have to fast.

But it is also important to prepare the heart. For Christine Ferguson, 48, a cradle Catholic, a deeper understanding of the Real Presence came from the Bible study *Walking with Purpose* at Christ the King Church in Little Rock. She has participated for five years, with the past three as a co-facilitator.

"I'm a cradle Catholic, and I just have always believed, it's always been in my heart that's Christ, that's the Body and Blood of Christ. I think what it has done is strengthened my knowledge," she said of the Bible study. "Before, I just believed in blind faith, if that makes sense. But with *Walking with Purpose*, it gave the Scripture behind tying that Old and New Testament together."

At Mass, Ferguson said she reflects on the sacrifice Jesus made and what that allows for her.

"I think back in the Old Testament in the temple and the lack of access. If I were a person of that time, I wouldn't have direct access to God, but because of Jesus' sacrifice, not only am I able to have access to God, but I have the ability to receive Jesus' body every week at Mass," she said, imagining going behind the veiled entrance that kept people from entering the Holy of Holies as described in Exodus and Hebrews when receiving Communion "and there I am, before the presence of Christ." The barrier between the person and God is lifted.

But standing before God in the Eucharist is just the beginning. During and after she receives it, Ferguson said she reflects on gratitude.

"As I receive Communion, I just imagine being filled or consumed with God. I spend time after I receive Communion asking God to consume my thoughts, mind and body for the next week, and I also pray for everyone's life" in the parish, that they have that same experience, she said.

We welcome a representative of Gifts from Bethlehem who will speak at the masses February 24th and 25th, next weekend.

Olivewood Handcrafted from the Holy Land A Traditional Art and Livelihood for holy Land Christians

The handicrafts trade evolved as a cultural tradition of Christians in the Holy Land for centuries. This indigenous form of art has since become an industry of great importance to the local people of the Holy Land who rely on it for livelihood, and to Christian pilgrims from all around the world whose holy pilgrimage can be memorialized for a lifetime in cherished olive wood or mother of pearl souvenirs. The olive wood carving market is the major source of income in the Bethlehem area. More than 60 percent of the income of the community in Bethlehem comes from this work.

In recent years, however, the holy crafts trade has suffered many hardships due to social and economical pressures. Because of a sharp fall in tourism and also as a result of diminishing numbers of craftsmen who leave their traditional trade and emigrate due to the difficult conditions in their homeland, the Holy Land handicraft market is facing serious danger, and so is the Christian community in the Land. Sixty years ago the Christians represented more than 28% of the total population in the Holy Land, today they are less than 2%. The loss of Christians in the land of Christianity's birth will represent a tragedy of immeasurable proportions for the billions of Christians worldwide.

Thank you for your vital support for a Christian tradition and in protecting this very important culture and industry.

Handcrafts will be available for purchase in the Parish Center after Masses.
